August 3, 2017

Agenda:

Prayer & introductions

Mission Mondays – *Let's continue! Julie will head up.*

Welcome email for new staff/faculty(?) joining community –

We like the idea! Julie will check with Executive Committee and HR about best way to do this.

Campus Colleagues & New Hire day – *We'll work on this with HR and help coordinate.*

Mission Leave clarification – *Yes, this would be helpful! Could non-JCU events count (something with your parish or child's school)?*

Supervisor/director evaluations, exit interviews – *Needed, but tricky. Would an ombudsperson work? Let's keep talking!*

April, food insecurity – *Will follow up with Salo with questions about where to go from here.*

Carol, community building – *Could we close the university for a day and do Habitat for Humanity together as a community building activity? Will follow up with Sr. Katherine about possibility or locations.*

Set meetings for the semester (once a month) – *Julie will send invites*
